

## **River Cup Policies**

### **Rules**

Day of Event specific starter instructions supersede all published River Cup Rules.

The USGA rules will govern all play. If between the group, a ruling cannot be established and there is no rules official in the vicinity, we ask you play two balls and a ruling will be administered in the scoring tent. Please do not sign scorecards until a ruling has been made official.

### **EXCEPTION: Rule 7-2 Practice Between Holes**

The River Cup Foundation does not allow any practice chipping or putting between holes. Players are directed to move immediately to the next teeing ground upon completion of each hole played.

### **Tie Breakers**

Tie breakers for first place and alternates will be decided by a sudden death 1 hole playoff. The sudden death playoff will continue until we have a winner. The official tournament results will list two competitors in the same position regardless of which competitor won the matching scorecard playoff. (Example- 2 competitors that tied for 3rd place will both be listed as T-3rd, and the next competitor will finish in 5th place. The 2 competitors will also split the sum of the 3rd and 4th place "points" divided in half.)

### **Inclement Weather/Playability**

During times of inclement weather, the Pekin Park District will determine playability of the golf course.

### **Distance Measuring Devices**

Measuring devices that measure distance only are allowed. Devices that measure wind and/or slope are not allowed.
